- 1. OUTSIDE FABRIC polyester knitted fabric treated with ViralOff®
- 2. 1st FILTER LAYER PP non-woven
- 3. 2ND FILTER LAYER Hyproof® Nanofiber microporous membrane
- 4. 3RD FILTER LAYER PP non-woven
- 5. INNER FABRIC polyester knitted fabric

XD Design Protective Masks - Treated with ViralOff®

99% REDUCTION OF VIRUSES IN 2 HOURS

ISO18184 tests against viruses [like Influenza, Corona, Hepatitis]

ViralOff® is a technology that stops viral activity through interaction with key proteins. It shows a 99% reduction of many different viruses, on a treated material, within a 2 hours timespan. Shown by ISO18184:2019, ATCC VR-1679 (H3N2) standard antiviral test.

The active ingredient present in ViralOff® is a reaction mass of titanium dioxide and silver chloride.

Due to ViralOff treatment the XD Design mask can be used during all day. It's not necessary to wash the mask on every use.

(However It is not recommended to wear the mask longer than 2-4 hours for each use).

The mask (with filter removed) is machine washable on 60 degrees and it can be washed depending on the frequency of use .

The ViralOff® is a durable and always-on treatment. For best performance and sustainability, wash less and only when needed.

XDDESIGN x Viraloff Protection Reusable Mask

Key features:

Kill germs and virus – 99% (SGS testing report)
Hyproof® nano fibers filters x 5 included , used up to 1000 hrs
Carrying pouch included Washable

HS CODE : 6307900010.

Page 2 of 2

The carton size is 61.5 x 39 x 32.5 cm, 180pcs /per carton, net weight 5.40kg, gross weight 6.40kg. unite product set is 30g, box sizes is 15.5 x 12.5 x 2 cm.

XDDESIGN x Viraloff Protection Reusable Mask

and filter when not using them. The pouch is made of corrugated carton and is simple in use.

Product highlights

1. The technology: the mask itself is made with Viral off ® fabric, as briefly explained in the presentation the fabric is treated with a material that kills up to 99% of the bacteria and viruses that are caught in the fabric. It's therefor self cleaning in a sense.

1 mask per set (available in 3 different colors) with 5 filters and a pouch to carry the mask

2.

Gift & Premium

. The filters are made of Hyproof® nano fibers that help with proper filtration but more importantly are washable up to 10x. Each filter can be used up to 200 hrs, so with the package you' 11 have a 1000 hrs of usage. The product is in no way of medical grade but adheres to Afnor Spec S76-001
